

Frederick County Government Request For Proposals

Dental Insurance Plans for Employees

RFP NO. 12-47

The purpose of this Request for Proposals (RFP) is to solicit sealed, competitive proposals to obtain a qualified Contractor to provide Frederick County Government (FCG) with dental insurance benefits for their eligible employees and retirees. FCG has approximately 2,100 benefit eligible employees and approximately 250 dental-eligible retirees. Proposals are being requested for administration of benefits, insurance of benefits, or both.

The intent is to select one Offeror whose proposal for dental insurance benefits is deemed most advantageous. Frederick County Government has retained the firm of Bolton Partners, Inc. as a consultant to assist with evaluating responses to this RFP.

Offerors shall provide services in all categories and meet all of the requirements requested in this RFP.
